

New Earth Teacher (NET) Workshops

A Spiritual Education & Understanding for the Future

with Linda Taylor – NET Teacher 2

We are, here on Earth, currently in the midst of a great transition and the greatest and most exciting Time; What is commonly referred to as a Spiritual Evolution. Part of what that means is that Earth and all the planets in our solar system are “moving up” from a lower level (World 1) to the next higher level, World 2. In order for the Earth to be able to move up to a higher level, or dimension, she needs help. Angels, light beings and many loving extraterrestrials have and do help in this process, but they neither can nor are they allowed to do too much, because this is not their planet and world. Therefore they have contacted some of us on Earth and taught us what to do to make the process easier for Mother Earth, as well as for all of the people and animals and plants here. For it is not only Earth that is going up to a higher dimension, but ALL OF US & everything existing here presently.

There is a LOT you can actually do to help Mother Earth and yourself and this NET Workshop can and will change your life!

These New Earth Teacher (NET) courses are meant to be taught and spread all over the Earth, which they have been now for the last five years. Anyone who wants to can do these courses. One's background does not matter; neither does it matter what spiritual beliefs people have or whether they have a spiritual belief or not. The courses in themselves are meant to help people all over the world to have a deeper understanding of Mother Earth and everything New that comes with the New Earth and the Spiritual Evolution. The courses that follow NET 1 contain information about the course of events that have been happening over the last five years and other things that will be coming soon with the Transformation of Earth. They are simple and easy to understand descriptions on how to prepare yourself and others and how to do ceremonies. There are suggestions for your own sense of well-being and explanations of the new steps of growth for all human beings. The courses are meant to strengthen, help and inform people, but most of all, to help our beloved Mother Earth before and during her transformation. There are also several years worth of Updates given at the class and many things will be explained about where we are at with things Right Now.

It really doesn't matter what you have read or heard before about Earth's transformation. Nor is it important, according to their telling, how it is supposed to happen or what it is supposed to look like. It is important that you, in some way, have chosen to listen and be receptive to receive the information. Once you have received information, it is up to your Higher Self to sort out the answers. Our Higher Self represents our spiritual wisdom and consciousness on a higher plane and it assimilates the information and sends back whatever is worth believing in. Often you will get a clear, positive feeling and some sort of knowing feeling in that process.

It is important for you to know that these NET Workshops are here to awaken people's interest and stimulate new ways of thinking. Even though some of the people who read this will not always agree with it or understand it, there will always be a seed planted and some of the words will sink in about the New Earth. Once it is stored there in the memory, the information will give birth to new ideas and thoughts.

Are YOU Interested in Being a Part of the Spiritual Evolution??

It's happening RIGHT NOW! It's good to know what's going on....

If YOU are Interested, Please Keep Reading for More Information!

New Earth Teacher (NET) Workshops will be a FULL 8-Hour Class, normally held on a Sunday afternoon at Salus Per Aquam, starting in early 2010.

WORKSHOP FEE: \$100.00

Here are some things you need to know about what you will experience and receive:

There are a LOT of papers included in this NET course and I do mean a LOT. Normally, I will email you ALL the Papers, Updates and other included goodies after the class. If you do not have email or cannot receive all these papers that way, I can print them all out for you – for an extra class fee of \$25.00. That will cover my paper and ink to print them out for you.

Everyone at each NET Workshop will experience several Gemstone Layouts and there will be the opportunity to buy stones to use with the NET papers and for the Gemstone Layouts you will also receive yourself, so you can experience them over and over again. Stones will vary in price, but I will get stones for everyone who wants them at cost!

There will also be many Meditations on the New Earth and maybe other things that you will experience in a way you have never experienced with other Meditations....

Everyone at each NET Workshop will receive Initiations or Openings for all the NET Levels, and will thus in turn be immediately empowered to teach NET classes themselves as they feel guided.

The Initiation Ceremony is in itself an hour at the end of the Workshop and Very Special for everyone involved!

There will be one 45 minute break and several 15 minute breaks during the Workshop for everyone to stretch out, get some air, lunch, snack, etc.

There is SO MUCH INFORMATION TO SHARE WITH YOU!

Dates and times for the first NET Workshop will be posted SOON at the Salus Per Aquam website: <http://gotomyspa.com> as well as at my own website at www.whitetimer.com/thenewearth.htm
