Please visit Linda's website at <http://www.whitetimer.com> for much more information about **Universal White Time Healing**

During this Level One class you will learn what the Universal Force of White Time is and how to use it and to work with it. So much can and will open up for those who receive this understanding, including truly experiencing a much more expanded and elevated way of thinking, and a vastly improved quality of Life. Universal White Time Healing (UWTH) was tailor-made for humanity, animals, nature, situations in life, and for our planet, Mother Earth. It is extremely suited for healing physical, psychological and emotional daily problems and issues in life. Universal White Time Healing is totally unique due to the fact that the healer uses past, present and future in one unit. The healer connects to a special Well of Force--the Universal White Time Healing Well of Force. The Oldest, the highest Spiritual Beings, Extraterrestrials, Angels and Light Beings guard that Well of Force. From the Well brings the Force of White Time itself. **White Time is white Light, which is the same as all colors of Light in one. And all Time in one, means past, present and future in one and the same unit of energy.**
